NUNSMERE HALL  
BOUTIQUE HOTEL GROUP

A very warm welcome to Nunsmere Hall, a boutique English country house hotel in Cheshire.

Nunsmere Hall is a country house of the finest order, set in a private estate. With beautiful 100 acre grounds and bounded on three sides by a magnificent 60 acre lake; Nunsmere Hall is a tranquil haven where you can thoroughly relax and unwind. 28 bedrooms and 8 junior suites are all individually designed and superbly appointed to ensure Nunsmere Hall is the epitome of the English luxury country house hotel. We provide an unrivalled romantic setting for wedding receptions, civil marriages and civil partnerships, as well as a unique venue for business events.

Nunsmere Hall was built around 1900. The extraordinary grounds and lake strongly appealed to its first owner. Sir Aubrey Brocklebank, Chairman of The Brocklebank Line. This famous shipping line dated back to the 1700s, and played a vital role in maintaining the nation's food supplies during the First World War. When the firm merged with Cunard, Sir Aubrey set about designing the landmark Atlantic liner, Queen Mary, Nunsmere Hall's lakeside setting proved an inspiration for Sir Aubrey and his wife Lady Grace. During this time, Nunsmere Hall became the venue of glittering parties attended by the great and the good of Edwardian England. Nunsmere Hall continues to epitomise the splendour of gracious living enjoyed here for more than a century.

We look forward to welcoming you to share in its charm and heritage.

On behalf of my family and the team, I hope you enjoy our wedding options and we look forward to welcoming you.

Kind Regards,
